

Audioboo App Guide

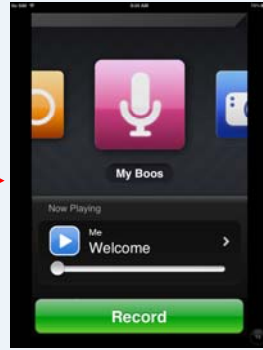

When you click into the Audioboo App, you have 6 main menu options (Settings, Browse, My Boos, Channels, Messages, and Contacts). Use your finger or stylus pen to swipe left and right to access each menu option.

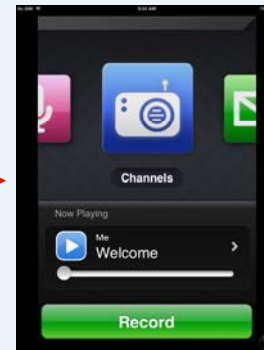

This is where you login and set Intro Boo to play

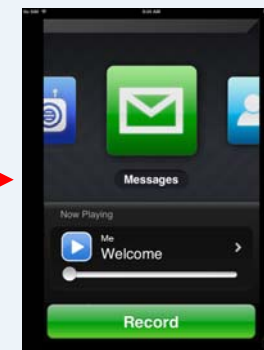

Browse Boos created by others, sort by features etc

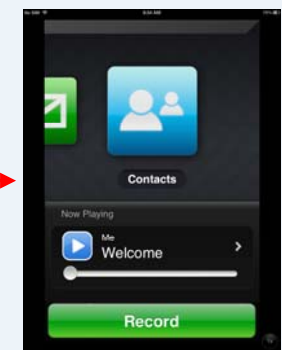

Browse/view or share draft/published your Boos

Listen or download Boos in Channels by category.

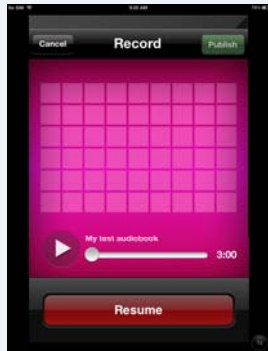

View personal messages from other Boo members

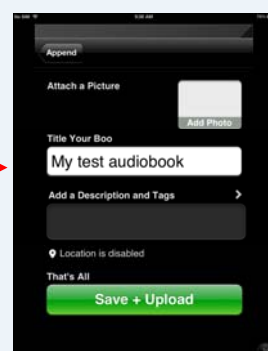

View your followers. Could be teachers/class peers.

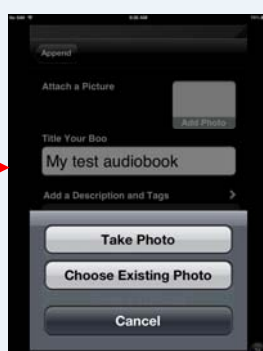

Steps to Create your first Boo

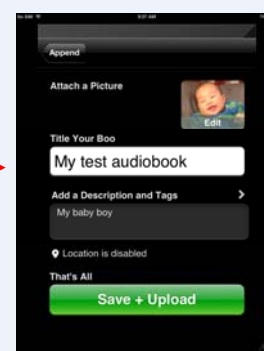

1) To start your Boo:
Record
You can pause/resume,
Max audio length 3 mins.
Cancel To SAVE/DELETE draft
▶ Listen to Draft
Publish When happy with recording, press on green publish button.

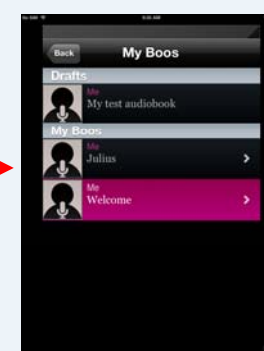

2) Give a 'title' for your Boo, and give a description and tags (metalanguage).
If you want to attach a picture to your Boo, press 

3) Choose an existing photo from your camera roll or take a new photo from your device. Once the photo is in, you can 'move/scale' with scissor action.
Change photo by clicking on 'edit'.

4) Press Save+Upload:
This will publish your Boo to the Internet for sharing.

5) Navigate to the main menu to browse 'My Boos'.
Press on the title of Boo to listen.
To share the 'Boo', press or the arrow on the right hand side.

6) Press the boxed arrow to see options to share.
 Press on 'More...' to see all options.
You will see the options in the image above. (Email your Boo to your teacher).
